

Thank you for your interest in the Department of Water Resources Hydroelectric Plant Journey Level examinations!

APPLYING BY EMAIL INSTRUCTIONS

1. Download the Examination Application form (STD 678) located at <https://www.jobs.ca.gov/pdf/std678.pdf> and save to your computer.
2. Open the saved Examination Application and fill it out completely.
Examinations will only be administered in the following counties: Butte, Contra Costa, Merced, Kern, or Los Angeles. Please indicate on the Examination Application, under Question 1, in which county you would like to take the examination.
3. Save the completed application to your computer.
4. Email your completed Examination Application and any supporting documents (resume, certification, etc.) to the email address listed below. You will need to submit an application for each classification you are applying for. Please remember to update your application to show the correct examination title you are applying for.
5. Please indicate the Exam Title for which you are applying in the subject line of the email.
6. You will receive an email notification when your application has been received by Selection Services staff. Please retain that email notification for your records.
